Acad suite product key.. SolidWorks 2018 SP3 X64 --- With SN And Activator Full Version. A: I'm going to change my answer because you asked for the size of your download and posted a JPG. Correct - the torrent for SolidWorks 2017 SP3 X64 --- With SN And Activator is under 1.2GB. If you want a torrent for SolidWorks 2016 SP3 x64 --- With SN and Activator, the size is 5.7 GB. (You will need to download this at least once.) If you want SolidWorks 2019 SP2 X64 --- With SN and Activator, the size is 5.5 GB. I have confirmed all of this, so there are now four torrents for you to download. If you do, you should be able to download the entire suite in approximately 3.5 hours. You can download a torrent for SolidWorks 2018 SP3 x64 --- With SN and Activator from here. Please keep in mind that you will need to download the torrent file at least once. (These torrent files are HUGE. It is unlikely you will have enough bandwidth to download the entire suite in one go.) The biggest thing you can do is to make sure you are downloading from a reliable and stable server. (I am using the RapidShare server, they are fine) Another thing you can do to ensure you download from a reliable server is to use a torrent client that checks the IP addresses of the peers involved. (A client like uTorrent with Advanced Torrent Settings will do it for you if you choose to enable it.) Update: I have downloaded the files - they are just sitting in my downloads folder. The torrent file has no difference to the one I am already downloading. The whole suite is at 27.66 GB The torrent files: SolidWorks 2018 SP3 x
